

I am deeply honored and grateful to receive the Sir Edward Youde Memorial Fund award. This scholarship is not only a source of practical support, but it is also a meaningful recognition of my hard work throughout my senior years. Every time I scroll down the memory lane, the countless nights spent revising for the public exam and the days staying late at school to study with my friends are still vivid in my mind. We all strive hard to realize our dreams. Although all of us have different goals, we still encourage and support one another, which is very remarkable.

I will definitely uphold the passion and the unyielding perseverance in my university life. When it comes to new challenges, I will try my best to tackle them instead of giving up immediately. In the hope of contributing back to society in the future, I will dedicate myself to self-improvement, ensuring that I honor the guidance and expectations of my teachers and the Fund.

我深感榮幸能榮獲尤德爵士紀念基金獎，心中亦充滿萬分感激。這份獎學金不僅是實質上的支持，更是對我高中三年來勤勞學習的肯定。高中三年每一個挑燈夜讀的晚上、每一個跟同學留校溫習的日子都歷歷在目，大家為了實踐夢想而努力拼搏，即使目標不一卻互相鼓勵、互相扶持。

在未來的大學生活中，我必定繼續秉持熱誠與堅毅不屈的精神，勇於面對學術上，甚至人生路上的新挑戰。我必努力裝備自己，希望將來能貢獻社會，不負老師及基金會對我的悉心栽培和期望。
